Trashion X

Saturday April 26, 2025

The theme for this year's Trashion Show is "Inspired by the Arts" and asks artists to find inspiration for their wearable works from famous artists and their masterpieces. From the Renaissance masters to Modern mavericks, artists can draw from more than 20,000 years of art history to bring new life to refuse.

The runway trash fashion and accessories show is open to all area artists, designers, college art students and high school art students in their junior and senior year. Work should include no less than eighty percent (80%) recyclable trash, found objects, and discarded fabric material. Artists are limited to three (3) entries.

For Additional information contact the GC Visual Arts Department at (903) 463-8662 or message us on our Facebook page, Grayson College Visual Arts Department.

The fashions on the runway are to be appropriate for "family-oriented viewing". The College reserves the right to reject any work that is deemed unsuitable for a show that is to be viewed by all ages or does not adhere to the theme of the show. Artists are to provide their own models for the runway show.
